

# FELLOWSHIP OF THE AVATAR

-- APPLICATION FORM --

**Beloved Chelas:**

In obedience to the commands of the Avatar Harjas, the World-Teacher of the Golden Age, we are calling to all Sincere Students of Truth who desire to enlist under "The Banner of Shamballa" as workers, to prepare the way for the "Lord of the World", the Avatar "Harjas" who is the incarnation of the Christ Consciousness in the present age.

All over the world enlightened men and women are preparing themselves to be disciples of the "Great Soul" when he emerges from Shamballa to lead the World Spiritually and materially into the New Golden Age of Brotherhood.

The requirements for entering the Fellowship are simple. One must dedicate their life to the Search for Truth. They must Spiritually work to prepare the way for the Coming World-Teacher. They must follow the simple instructions which will be given monthly for attunement with the Avatar. Those who earnestly and sincerely work for the Avatar will eventually make personal contact with him and receive his personal instructions. All we ask is a Love Offering of a minimum of \$9.00 a month to help pay publication expenses.

The instructions will be given freely to every sincere soul who is willing to prepare for discipleship, and who will earnestly strive to bring the message of truth to those groping in darkness and work without faltering to establish the Brotherhood of man and the Christ-kingdom on earth.

In return you will receive a message direct from the Brotherhood teachers each month. A message that will be a lamp to light your way on the Path of Service and guide you to direct contact with the World-teacher. If you desire to become one of the disciples of the Avatar, fill out the accompanying request.

**In Divine Truth,**

**Brotherhood of the White Temple**

**REQUEST FOR MEMBERSHIP**

I desire to become a disciple of the Avatar and will sincerely and earnestly strive to live in harmony with Divine Law so that I may, by example, draw those around me to the "Path". I will work with all my might to establish the Brotherhood of Man and the Christ-Kingdom on Earth.
